

VILLAGE OF NELSONVILLE NEWSLETTER 2019-07-01

Letter of Introduction

photo by Bobby Bailey

Hello, my name is Amy Hussin and a recent addition to Nelsonville, WI as of 2015. At a recent board meeting, a question was raised if anyone would be interested in creating the village calendar /newsletter. I volunteered my services.

I will send a digital copy to VON (village of Nelsonville) Clerk for posting on the website: <http://villageofnelsonville.com/>, as well as the Facebook Page "Nelsonville,WI"

The calendar will be posted outside of the Post Office.

There will be village residents that do not have computer access and I would like to hand deliver, if requested.

The newsletter will be quarterly (4x a year) and the calendar will be monthly. [Jan, April, July, and Oct]

Please understand, this is the first attempt, and a first time creating such a thing, so patience would be appreciated.

Contact can be made using email:

nelsonvillewi.newsletter@gmail.com

Thank you again for your patience as design may change as well as format.
Amy

Brenda Gingles

The Rising Star Mill lost a dear friend, June 7, 2019. Brenda Gingles was a RSM committee member who worked on the mill's gardens and was a vital contributor to the the Art Show committee. Brenda's brief but agonizing battle with cancer ended peacefully at home with those she loved.

Lois and Mark Bruggeman recently donated a Ginkgo Biloba Tree to the Nelsonville Playground, in honor of Brenda Gingles. Stacy and Tarian O'Connell planted the tree June 22; you can find it in between the seesaw and baseball field. What a perfect way to remember an amazing friend and neighbor. Thank you, Mark and Lois, for such a thoughtful tribute!
