

Village of Nelsonville
Groundwater Protection Committee

Meeting Minutes
July 23, 2018 6:30pm Nelsonville Village Hall

Present: Rubina Martini, Lisa Anderson, Tarion O'Carroll, Kyle Gordon, Tor Anderson, Deb Jakubek, Caitlin Brillowski

Meeting called to order by Rubina at 6:30pm

Minutes from June 25, 2018 approved

Concerns from the Village Board We need to keep up on our deadlines for posting meetings, agenda, minutes, etc.

Current committee members approved by Village Board: Tarion O'Carroll, Rubina Martini, Kyle Gordon

Approved Resolution #2018-08-15-01 and votes to present it to Village Board at next Village Board meeting.

Grant funding update from Jen McNelly

Water data updates from the community

Discussion about the importance of keeping positive voices when we talk about nitrate levels and source testing.

Discussion about historic land application.

Deb describes **Farmers for Tomorrow**.

Discussion about kindness, working together, and transparency between residents, Village Board, Committee, and the local farming businesses.

Action Items

- Permission slips for village residence to release their well and water information to public.
- Find any historical data about land applications in the area. Ken Schraeder could be a good resource. Kyle will contact him about providing data or possibly attending our next meeting. We want to know what has ever been applied to the land around Nelsonville.
- Set up a field trip for the committee to the farm.

Kyle briefly describes his nitrogen application procedure.

Tarion is working with GCAC to map ground water flow.

We just want to get **as much data as we can** at this point.

Discussion about **the committee's Mission Statement**. Developed from the "scope" of the resolution.

Community Concerns? None.

Next meeting August 27, 2018 at 6:30pm at the Nelsonville Village Hall.

Meeting adjourned by Rubina at 8:06.

Minutes posted by Lisa Anderson, Clerk on 7/31/2018.
