

VILLAGE OF NELSONVILLE
Parkland Committee Meeting Minutes
At the Village Hall
August 30, 2017

The meeting was called to order by Committee Chairperson Dave Mangin.

Present at the meeting were: Caitlin Luebke Brilowski and Stacy O'Carroll.

Dave made a motion to approve the last meeting's minutes. Caitlin seconded.

A discussion was had about easement (access) to the Anderson property and conversations with the neighbors this would impact. Dave Jose's property behind Ruby Coffee was established as the #1 contender for the main access point.

Committee members shared visions for the four Nelsonville Park spaces: The Triangle, Lake Elaine, the Playground and Anderson property. Dave will put together a full report on these visions.

Naming of the Anderson property was discussed.

A work day was planned for committee members on September 10th from 1-4 pm on the Anderson property to flag and establish a loop trail.

A community potluck luncheon was planned for October 22 at the Rising Star Mill to welcome new community members, to introduce the Parkland Committee and its visions for Nelsonville's public recreation spaces and to invite people to walk the new trail.

Caitlin motioned to adjourn the meeting. Stacy seconded.

Respectfully submitted by Stacy O'Carroll.
