

Village of Nelsonville
Parks and Recreation Commission

Meeting Minutes
October 15, 2018 6:00pm | Nelsonville Village Hall

Present: Dave Mangin, Tiffany Prager, Bobby Bailey, Caitlin Brillowski

Minutes approved from last meeting

Discussion about bridge: A few people from the village have approached Dave about their interest in a bridge. Research, study, outreach. A good way to receive input would be a village survey. Funds could be used in a matching grant. Other items that could be lumped in the grant: benches, informational kiosks, trail maintenance. We could approach Portage County, WI DNR, etc. for additional funds. Will contact area groups, organizations, contractors for estimate.

Pros:

- More easily connect Welton Dr. to the center Nelsonville
- Included in the Conceptual Plan
- Interest from the Community
- Expand the park
- Provide greater access to different management opportunities
- Connect Sanctuary to DNR property

Cons:

- Large undertaking
- Expensive
- Money may be used elsewhere in the park
- May disrupt wildlife/land

Discussion about survey questions: Questions need to be submitted to village board by November 13.

Park Walk through Sunday November 4 at 10am at Ruby Coffee Roasters

Added to next meeting's agenda: Parking lot at Main trail head

Next meeting November 12 at 6:00pm at the Village Hall

Meeting adjourned at 7:01pm
