

**VILLAGE OF NELSONVILLE**  
**Plan Commission Traffic Subcommittee Meeting Minutes**  
**From Thursday, August 1<sup>st</sup> at 6:00**

Meeting was called to order.

Present at the meeting were D. Bootz, A. Hussin, S. O'Carroll

The Subcommittee agreed to propose the following recommendations to the Portage County Highway Commission regarding traffic concerns in the village, to the Village Board for review:

- A 3-way STOP at the intersection of SS and Q
- The elimination of the 45mph sign on Q that drivers encounter shortly after turning south off Hwy 161 heading South into Nelsonville.
- Pedestrian crosswalks and signage at the intersection of Q and First Street in front of the Rising Star Mill.
- A 2-way STOP at the intersection SS and First Street to eliminate confusion, potential accidents and slow traffic coming into the village on SS from the East
- Crosswalk and pedestrian signage at the intersection of SS and First Street
- "Children at Play" signage on SS before motorists pass the Community Playground
- Crosswalk and pedestrian signage at the intersection of SS and Pavelski Road to slow traffic coming into the village from the Northwest and protect residents walking/biking to Lake Elaine
- Increase the visibility of current traffic signs via lights/reflectors
